The children participated very enthusiastically in each event and behaviour of all children was exceptional.

We wish the students who will be attending Campbelltown Zone Swimming Carnival on Friday the very best of luck.

Thank you to Mrs McPhee and Miss Adam for organising the carnival, the teachers and parents who worked on the day to ensure the carnival was a success and the parents/carers/grandparents/friends who attended the carnival to support the children. Many thanks also to the teachers who remained at school and were so flexible with teaching the children who did not attend the swimming carnival.

This week, 3 way parent/student/teacher interviews are being conducted. We have tried to encourage every parent to take part in these interviews as they are a very important part of goal setting for each child and the development of personal learning plans. If, for some reason, you have not received the invitation to attend these interviews, please contact your child's teacher to make a time to meet with him or her.

Last Monday evening, Paul Zielinski, Principal of Leumeah High School attended a meeting in our school hall with parents/carers who were interested in making decisions about where their child or children will attend high school. It was a very frank and informative talk and we appreciate Paul Zielinski taking the time to attend this meeting.

## *Dear parents/carers.*

Yesterday we had our annual swimming carnival. The day commenced with heavy rain and we decided to take competitors only to the event. All spectators

Have a great week!

### Anonymous Letters to the Community

Last week I was made aware of an anonymous letter that was placed in a number of letter boxes in Ruse. Campbelltown Police are well aware of this anonymous letter.

On Friday afternoon, I met with senior police at Campbelltown Police station. Following my meeting with police, I am satisfied that there is no risk to any child at Ruse Public School as a result of this current investigation. Police are continuing investigations into the source and distribution of the letters.
